

JJC NLP Series Neoprene Lens Pouches

JJC Neoprene Lens Pouch is designed to store and carry a camera lens. This pouch features handy drawstring closure which allows for easy access to the lens. Made of soft neoprene material, the pouch provides great protection and shock absorption for your lens. The belt loop and carabiner on the side are designed for easy carrying. JJC NLP Series Neoprene Lens Pouches are available in different sizes for your choice.

Product Highlights

- Stores and transports a camera lens
- Protects your camera lenses against dust, moisture and water
- Crafted from neoprene, soft and durable
- Handy drawstring closure for easy access to the lens
- Equipped with a carabiner and a belt loop on the side for easy carrying
- Available in different sizes
